Dear [REDACTED] STATINTL

Thank you for your sending me the classified publications from the Agency. I thought the meeting on the 15th was very valuable from my point of view. I was sorry that I had to leave a little bit early and couldn't express my appreciation more clearly at the time. As it turned out, the roads were clear and we got to the airport without incident from the weather. The trip to Egypt was a great success. A group of us spent an hour with President Sadat and I was able to see my old friends again and get my annual updating on everyday life in Egypt.

Sincerely,
